

The German Social Accident Insurance Institution for the Raw Materials and Chemical Industry
(Berufsgenossenschaft Rohstoffe und chemische Industrie - BG RCI) hereby certifies that

Dyckerhoff GmbH
Biebricher Str. 68
D-65203 Wiesbaden

with the cement plants in Amöneburg, Geseke, Göllheim, Lengerich,
Neuss and Neuwied and also the headquarters and the Wilhelm-Dyckerhoff-Institut

meets the requirements of systematic and effective
occupational safety and health on basis of the

»Systematic Safety« seal of approval

for the industry-specific implementation of

ILO-OSH 2001
guidelines on occupational safety and health management systems
(International Labour Organization).

The assessment also proved that the

OHSAS 18001:2007
guidelines are implemented and that an

Occupational Health Management

has been established according to the common quality criteria for
an OH-Management of the German social accident insurances.

The investigation on 19th April 2018 was carried out in accordance with
the DGUV procedural principles 311-002 for the assessment of
„occupational safety and health management systems“.

This certificate will remain valid until 18th April 2021.
